Customer Information from Clyde House

Clyde House plans to re-open for business on Saturday 4th July, in line with government guidelines.

There will of course be a few changes:

We will only be using three of our five rooms to start with during these difficult times. Our new policy for this period will be a **minimum stay of two nights**, to allow us to clean each room thoroughly. When making a reservation, please ring or email to speak to Sean or Heather personally, so that we can inform you of all the changes we have implemented.

On your arrival, please do not be alarmed, but we will be wearing a facemask and gloves.

Please be assured that all surfaces are being sanitised continually including banisters, door handles and light switches.

Hand sanitisers will be provided at the top and bottom of the stairs for your use.

In the breakfast room we have distanced the tables and provided washable gloves for your use at breakfast. We would appreciate you using these, particularly when collecting your cereal, fruit and juice.

As you leave the breakfast room, please place the gloves in the bin provided, we will ensure there are fresh pairs available each morning.

We have created a one-way system for breakfast during this period, please be aware we will both be wearing masks and gloves throughout breakfast.

We are very much looking forward to re-opening and welcoming everyone in these unusual circumstances. Thank you for co-operation and we both look forward to welcoming to Clyde House.
